*** GREAT NEW STUFF ***

Fall is stitching season. This is the time when touching a luscious skein of yarn gets knitters and crocheters thinking: "Hmm, I'd love to work with this", and then asking: "What can I make with this?" That's where we come in. We're here to unveil ideas, keep you up to date with the latest yarns & tools, introduce new products and spark your creativity. With stuff like this...

What would Jane knit? Enter the world of Jane Austen through timeless knitting patterns inspired by the places and characters in her beloved novels. The designs in INTERWEAVE KNITS *Jane Austen Knits 2014* (\$14.99, shown upper left) include a knitted lace shawl for a stroll in Brighton, a handsome Fair Isle vest for a worthy gentleman, sweet cabled socks for men and women, a stylish felted tote, and other sweaters, accessories, and housewares. The 27 new knitting patterns in this special issue evoke the classic spirit of Austen's novels, but are perfect for the contemporary wardrobe. In addition to knitting patterns, this issue includes lively articles plus elegant lace, handsome knits for men, gorgeous hats and sweaters, accessories, and even precious knits for kids. Bring a little Austen to your knitting...

When chilly winds blow, don't forget to be kind to your skin. If you haven't tried our fantastic line of LO-LO products by Barmaids, it's time that you do. These moisturizers create a barrier to inclement weather, helping to keep your skin hydrated and soothing dryness. LO-LO Body Bar (\$14.95) and its smaller companion LO-LO TO GO (\$8.95) are effective, residue-free alternatives to liquid moisturizers. We can attest to the fact that they are not sticky or greasy and really do help. New to the line is LO-LO Twist (\$11.95), the same great product in a convenient twist-up stick. Tea Tree infused oils and butters are why Cuticle Intensive stick no-rub formula (\$6.50) is dubbed the "little magic wand". For great lip service, try Lo-LO Lip Balm (\$4.50), rich in anti-oxidants and zinc oxide. Our favorite flavor is Luscious Lemon Pie...

Any experienced knitter will tell you that good tools play an important role in project success. And the more involved the project, the more important it is to have quality tools. ChiaGoo RED Lace Circular Knitting Needles are made from premium stainless steel with a multi-strand nylon-coated steel cable. This makes it ideal for anyone who likes sharp-pointed knitting needles but has a nickel or brass sensitivity. The cable is very smooth and flexible with no memory. That means no kinks or no needing to dunk the cable in hot water to straighten. The tips on these circular needles are very pointy and the joins quite smooth (remember how picky we are about our needles here, so this is high praise!). Laceweight and cobweb yarns slide over the join with ease. The needles themselves are neither "slick", nor "grabby". In our expert opinion, they are "just right", including the price point...

Kathy's most popular self-published patterns are the "Russian Rib" series -- boot toppers, texting mitts, scarf, and hat. Now, the "Russian Rib Cowl" (\$3.00, shown lower right) can be added to that list. It was knit with two skeins of HiKOO "Simplicity" yarn. Kathy designed this cowl especially for the Steel Valley Yarn Crawl this past summer, and the pattern is now available for purchase here at Kathy's Kreationz or at Kathy Zimmerman Designs store on Ravelry...

Every house should be infused with crochet -- it makes a house into a home in more ways than one. In special issue *Interweave Crochet Home* (\$14.99), you'll find crochet for every room of your home -- from the entryway to the living room to the kitchen, kids' room, bedroom, bathroom, and study. You'll be sure to find projects to fit your lifestyle and to enrich your home...

*** MORE GREAT NEW STUFF ***

"Knit Essentials" (\$18.50) is this season's collection of must-have silhouettes in TAHKI YARNS signature casual styling. Fashionable without being overly trendy, the 22 classic designs feature TAHKI's new yarns. The cowls are amazing, but our pick to knit is the "Confidence" pullover with 3/4 raglan styling, and a longer length with open side slits. Basics are still the best...

BLOCK AND ROLL blocking mat (\$59.95) lets you block to perfection, and store with ease. Let Block & Roll make your beautiful projects look even better. The generous 38" X 55" surface area of this roll-up mat can accommodate projects of many sizes, which may be pinned directly onto the surface of the mat. The 20 mm X 20mm grid is very useful in lining up and keeping straight edges for seams. The surface is heat and water resistant which allows for steam or wet blocking. This article should be on your wish list...

"Kenzie" by HiKOO may just be the perfect tweed. New Zealand merino, angora and alpaca lend softness and body; nylon lends strength and silk noils contribute delicate texture and color accents. The smooth, round 3-ply yarn knits into a cohesive fabric that blooms when wet blocked. The angora halo is just fuzzy enough to lend a cozy feel, but not so fuzzy as to obscure any stitch detail. We are pleased to announce the arrival of 10 new shades, in addition to all the existing colorways in stock...

Six new CHURCHMOUSE CLASSICS patterns were recently launched. The scarves would make wonderful gifts for both stylish gals and guys, so you can gift them to anyone on your list. Here's what's new:

- Accelerating Stripes Fingerless Gloves and Cowl (\$7.50, shown upper right) -- Churchmouse loves stripes -- big stripes, little stripes and everything in between. The fingerless gloves have stripes that zip from 5 rounds to 4 to 3 to 2 to 1, and the matching cowl revs stripes from 18 rounds to 3 in a super-soft cowl that's seamless in both directions. Snap!
- Two-Tone Twill Scarf (\$5.50, shown lower left) -- the love affair with linen stitch continues -- this time using two high-contrast colors for crisp zigs and zags, or two closer colors for tonal shading. To knit in lace weight or fingering weight versions.
- Better-Than-Basic Pullover (\$10.50, shown page 5, upper right) -- with 2 edgings, 2 collar styles, 2 lengths, this sweater has scope! The fit is easy, styling is simple, fabric is relaxed, and details are just right. Only this is even better because you can customize the style and fit. Try short length with long ribbing, long length with short ribbing, or change the length entirely to suit you.
- Go-To Cardigan (\$10.50, shown page 6, lower left) -- A modern take on the Mr. Rogers sweater, this simple cardigan moves easily from work day to weekend. Churchmouse has added flattering A-line shaping and a vented hem for relaxed ease with a tidy finish. In cozy wools or plant fibers, it's a perfect layering piece or polished tunic. We think you'll make -- and wear-- this cardigan again. And again.
- Modern Wrapper Fine (\$10.50, shown page 7, lower right) --In open cardigan or seamed tunic versions, this design features a slim silhouette and a precision fit by grading the design in three relaxed sizes.

- Walking Rib Cowl & Muffler (\$5.50, shown page 8, upper left) -- the subtle diagonal stitch pattern is akin to K2/P2 ribbing, but the rhythm "walks" over by one stitch every other row (or round) for a subtle, reversible texture that's easier than it looks. The handsome muffler has tailored slip-stitch selvages. The cowl is worked on larger needles for a softer drape. The knitting is a walk in the park, validated by Sue S. from Friday knitalong, who is working the muffler in MADELINE TOSH "Tosh DK" and it is looking mighty nice...

*** NOVEMBER 2014 DREAM CLUB ***

In September, we introduced Dream Club, a monthly yarn club that is brought to you by DREAM IN COLOR YARNS. Each month features a pairing of a unique hand-dyed colorway with a pattern that will showcase that month's yarn. The projects all use a single skein, some in special yardage put-ups exclusively for these designs. New colorways will arrive during the first week of every month through February 2015. This exclusive event is only available through participating local yarn shops like Kathy's Kreations. It seems to us that each month's new arrival is prettier than the last!

Our October project sold out in record time, and we anticipate that you will love November's even more. This month's yarn is one of our favorites, 12-ply 100% superwash high twist merino wool "Everlasting DK", with a special put-up of 130 grams / 335 yards. Kathy describes the rose and cocoa *November 2014* colorway as a carpet of fallen leaves in the forest. It is absolutely gorgeous. The yarn is a uniquely spun, then dyed with intense yet subtle color variation and shadow-effect in a method developed exclusively by DREAM IN COLOR. The cost of this kit is \$39, which includes a hard copy of the pattern.

Connie Chang Chinchio designed a slouchy hat (shown upper left) and matching mitts (shown lower right), a set that pairs perfectly with the November yarn. The subtle variegation of this month's colorway is showcased with a mix of stockinette and eyelets. "Sachy" is an easy but complex-looking knit that you'll want to cast on right away! And it is do-able as a holiday gift for yourself or someone special.

We have designated "Dream Club" as one of our Friday knit along projects. If you can't make it to our Friday knit alongs, please keep up to date with postings to our "We Love Kathy's" group. There is also a "Dream Club" group on Ravelry with projects and special information. We're very enthusiastic and excited about this program -- let the knitting fun continue...

*** OPEN HOUSE AND SMALL BUSINESS SATURDAY ***

Shopping in Ligonier is always like a step back in time, but especially during the holidays -- less stressful than the Black Friday "mall experience". We invite you to please join us for our annual Holiday Open House weekend **Friday, November 28, 2014** and **Small Business Saturday, November 29, 2014, 9:00 am - 5:00 pm**. Small Business Saturday is a day dedicated to helping promote small businesses, so SHOP SMALL this holiday season. We will feature light snacks and a free gift with every purchase of \$10 or more (only one per customer, please)...

*** CAPS FOR KIDS ***

Kathy's Kreations is assisting the Laurel Highlands Knitting Guild with their annual Caps For Kids program. The guild is collecting clean, new handknit or crocheted cold-weather items like hats, mittens, scarves, slippers, and gloves for distribution to needy area children at Thanksgiving and in early December. The items will be distributed through the Ligonier Valley Service Unit of the Salvation Army and other area agencies. Kathy's Kreations will gladly accept donations on behalf of the guild...

*** KNITTING TRICKS ***

If you plan to make the same project for several different people, the knitting itself can grow tedious. The best solution might be to spice up your classic yarns with textural fibers for something a touch more unique. Try a bold new color trend: mixing blue or teal with a pop of orange. These colors live on opposite sides of the color wheel, but come together well. Let the yarn do all the interesting work for you...

*** FORT DAYS CHEWY DATE NUT BARS ***

These bar cookies were the hit of Fort Days! Kathy adapted the recipe from one which appeared in the September/October issue of *The Country Register*. Try substituting apricots or raisins for the dates and pecans or almonds for the walnuts -- a delicious variation!

- 1 package (18~1/4 ounce) French Vanilla cake mix
- 3/4 cup packed light brown sugar
- 3/4 cup butter, melted
- 2 eggs
- 2 cups chopped dates
- 2 cups walnuts

In mixing bowl, combine cake mix and brown sugar. Add butter and eggs. Beat on medium speed for 2 minutes. Combine dates and walnuts; stir into batter (the batter will be thick and stiff). Spread into a greased 13"X9"X2" baking pan. Bake at 350 degrees for 35-45 minutes or until the edges are golden brown. Cool on a wire rack for 10 minutes. Run a spatula around sides of pan to loosen. Cool completely before cutting. Yields: 36 bars.

*** QUICK CARAMEL CRUNCH ***

Karen McCullough brought a batch of this delicious treat to a Friday knit along and it was promptly devoured by a group of hungry knitters. Thanks, Karen, for sharing this easy recipe!

- 15 graham crackers
- 1 cup (2 sticks) butter
- 1 cup brown sugar
- 1 cup chopped nuts (slivered almonds, pecans, or walnuts)

- Preheat oven to 350 degrees
- Place graham crackers in a single layer on a rimmed baking sheet (cookie sheet). Fill in gaps with pieces of broken cracker.
- Melt butter and brown sugar in a saucepan. Stir in nuts. Pour mixture over crackers.
- Bake 10 minutes.
- Let cool. Break into pieces. Makes approximately 30 pieces.

*** EASY CHECK SCARF PATTERN ***

This vintage pattern is easy enough for a beginner knitter, yet uncomplicated enough for a knitter with a holiday deadline! This pattern also works well with tweed and marl yarns, and is appropriate for both guys and gals.

MATERIALS: 2 skeins KRAEMER YARNS "Perfection Worsted" or "Perfection Worsted Tapas" (approximately 400 yards, CYCA #4); US size 8 knitting needles

FINISHED SIZE: 7" X 60"

GAUGE: 5 sts / 5 rows = 1" in pattern

CHECK PATTERN

Rows 1, 3, and 5: Knit 5, *purl 5, knit 5; repeat from * across row.

Rows 2, 4 & 6: Purl 5; *knit 5, purl 5; repeat from * across row.

Rows 7, 9 & 11: Purl 5; *knit 5, purl 5; repeat from * across row.

Rows 8, 10, & 12: Knit 5, *purl 5, knit 5; repeat from * across row.

DIRECTIONS: Cast on 35 stitches with long tail cast on method.

Set Up Pattern: Purl 5; *knit 5, purl 5; repeat from * across row.

Work in check pattern until scarf measures 60" or desired length, ending with pattern row 6 or 12. Bind off all stitches in pattern.

KNITTING TIP: Not sure how long to make a scarf? In order to double the scarf around the neck comfortably, knit the scarf as long as the recipient is tall. For example, for a person 5 foot tall, 60".

*** A SPRING THING AT KATHY'S KREATIONS ***

Join Kathy Zimmerman for a day-long event at Kathy's Kreations on **Saturday, May 16, 2015!** Kathy will present techniques for working pattern stitches based upon a multiple of 3 – textured patterns in the 3-hour morning session (Japanese faux cable shown at right), and colorwork patterns in the 3-hour afternoon session. The student will have a "hands on" opportunity to knit samples of each, and learn new skills such as central double decreases, multiple stitches from one stitch, broken stripes, working multiple increases and decreases, slip-stitch knitting and much more. Learn to place a bit of texture, a band or a panel of a pattern into an unadorned sweater or accessory to create your own "original". Registration fee is \$35 per session. Early bird registration before March 31, 2015 is \$60 for both, with early-bird registration for both sessions including a light lunch. Space is limited, so please reserve early. For additional details, please contact Kathy at 724-238-9320 or e-mail kathy@kathys-kreations.com

*** SOCK KNITTING TIPS ***

Several of these were gleaned from *Knitting Daily* June 23, 2014. They seem perfect to share for Sock Month...

- When knitting cuff-down socks, cast on the required number of stitches. Purl 1 row. THEN, join in the round and proceed with the pattern or ribbing. This makes a nice edge and helps hold up the sock on the calf.
- When using double-pointed needles, after completing the cuff, heel, turn and pick-up, you will have your stitches on three needles. Place small coilless safety pins or locking stitch markers on your work just below each needle. Use one pin on needle #1, two pins on needle #2, and three pins on needle #3. You will always know exactly where you are.
- To keep track of what row you are on when knitting socks (or anything in the round) with a pattern that states: "every other row", place a 2" piece of waste yarn with a large knot in one end at the beginning of the round. If the plain end is out, that's a pattern row. If the knot end is out, DO NOT work the pattern on that round. Flip the waste yarn every time you pass it to save time analyzing what you need to do when you pick up your knitting again.
- When working two at a time socks, divide your skein of sock yarn into two equal parts by using a kitchen scale. Weigh the unused skein of yarn using grams (i.e., 100 grams). Wind a second ball from this skein until the skein weights exactly half the original weight (i.e., 50 grams). Two balls of yarn -- ready to knit!
- To keep track of the washing requirements for hand-knit socks, put a row or two of color-coded yarn in the toes. For example: Red = hand wash, dry flat; yellow = machine wash, line dry; green = machine wash and dry. This is easy to remember, kind of like traffic light colors. It works for toe-up/top-down and any needle configuration, plus any level knitter can use this. It's a clever way to use up bits of stash yarn, and can be included when giving gift socks.
- Ann Budd is credited with this tip: When working Kitchener stitch on toes, treat the first two stitches and the last two stitches as one stitch, to avoid those funny "ears"
- When knitting socks two at a time on circular needles, pin a small sandwich bag around each sock so that the knitting does not get roughed up or soiled as you are working. Move the bag up each time an inch or two is completed. When the socks get too long to fit inside the bag easily, roll the socks up and pin the edges so they won't unroll. When the knitting is completed, the sock is all fresh and without pills, ready to be blocked and enjoyed.
 - In choosing sock yarn, select one that has a firm twist. Pure wool is a good choice as it can absorb a great deal of moisture and still stay warm.

*** KNITTER'S GIFT TIMELINE ***

January -- You promise yourself that this year will be different

April -- Having forgotten your resolution, you dig out patterns and ideas

September -- You realize that it's almost fall and you should probably start knitting

November -- You get some quality knitting done over the Thanksgiving holiday, but realize that less than one month remains

December -- You decide those big pattern ideas were silly anyway, and look for superbulky patterns with size 19 needles

Conclusion: Gifts are occasionally wrapped with needles and a ball of yarn attached. For those yet to be knit, you pretend that they were never going to get finished anyway. You promise yourself that next year will be different.

*** NOVEMBER KNIT ALONGS (KAL) ***

This holiday, it's all about having fun. It's so meaningful to give handmade gifts. Making them is lots of fun, and we've got great knits to put a smile on anyone's face. For those of us who have been doing the KALs all year, we have a jump on our gift list. Working on and completing one project or more a month is the perfect solution to insuring stress-free holiday stitching. Our projects have included cowls, scarves, mitts, socks, and more. It's not too late to join us -- our knit-alongs will continue every Friday throughout 2015.

In fact, we're having so much fun with knit alongs that you have your choice of several projects! Our "Sachy Hat & Mitts" Dream Club for this month was designed by Connie Chang Chinchio, and will use "Everlasting DK" in a special 335-yard put-up. The colorway and pattern design are spectacular. The number of kits are limited, so please reserve early.

CHURCHMOUSE CLASSICS are among our favorite patterns and we know they are yours, too. Pick a tried-and-true favorite like the Linen Stitch Scarf, or Welled Fingerless Mitts. Perhaps try something new like the Walking Rib Muffler or Accelerated Stripes Mitts. As always, we have plenty of yarn selections for whatever you choose.

Not working on our KALs? You are welcome to come -- simply bring any knit or crochet project purchased at Kathy's Kreations and join the group (free!)

*** FASHION TREND ***

We are seeing all sorts of interesting neckwear this season. There's nothing that can replace the oversized, loopy cowl (the reigning queen of popularity). But, a new look has been popping up lately that is intriguing -- the "go big or go home" cowl. Ask us about the "Gaptastic" cowl, with its fun mixture of texture and color. Worked on size 13 circular needles with bulky yarn, it's very do-able and quick...
