What better time for an accessories collection than during the season when you want to knit something quickly as a gift or have a hat, scarf, or mitts ready when the snow flies? Throughout the pages of **INTERWEAVE KNITS Accessories Special Issue 2009** you'll find the perfect choices to meet this need. INTERWEAVE has compiled a group of projects from their archives -- requested favorites and ones we're sure you'll enjoy making.

Kristen Knits 27 Inspired designs for playing with color

Noted knitwear designer and color connoisseur Kristin Nicholas encourages readers to conquer their color inhibitions, learn a little basic color theory, and create personally satisfying fiber palettes. Once awakened to the glories of color, knitters begin to see new possibilities in nature, at museums, in full-color books and magazines—everywhere that color makes a powerful statement.

101 stitches to knits

One of the greatest challenges a knitter can face is finding the perfect stitch pattern for a project. Whether you want to create a highly textured lace scarf or revamp a basic sweater silhouette with a new stitch pattern, 101 Stitches to Knit is the perfect portable one-stop source for stitch inspiration.

Each card features a stitch design on the front side and concise easy-to-follow instructions on the back. A color-coded system which divides the cards into themes—Knit & Purl, Lace & Eyelets, and Cables & Arans—makes organization a breeze. The cards and eight-page booklet on basic knitting techniques are packed in a sturdy box frame. Whether you're a beginning knitter or an expert, these handy compact cards promise inspiration for any knitted project.

Shetland Lace

[softcover]

If you can follow basic knitting patterns, you can do Shetland Lace. The patterns in this book have been designed with care and consideration for the knitter, with close attention to detail. They are written logically and clearly, and best of all, instructions are given row by row. The appeal of shetland lace is obvious, yet its delicacy belies its strength. You will have made something which is more than just a piece of knitting, it will be an artform, a garment which has been worked in the same way by generations before you.

The Harmony Guides lace & eyelets

[softcover]

Lace can lend sophistication to any knitted project, and this updated guide features 250 lace and eyelet designs to delight knitters of all skill levels. From Butterfly Lace to Knotted Openwork to Open Diamonds with Bobbles, each swatch is accompanied by a helpful photograph and easy-to-follow instructions. Both new and classic yarn varieties are covered, and insider tips designed to facilitate personalization are featured throughout. Practical and simple to use, this all-in-one handbook even fits in a knitter's travel bag.

Guy Knits from XrX Books [softcover]

From rugged to refined, and from casual to corporate, these 25 men's handknit projects are classics with style. A recent shift in the yarn world--away from novelty yarns to interesting standards, luxurious blends, and rich tweeds--ensures that these knits will be worn, look good, and fun to make. In addition to swatches highlighting new yarn choices, clear illustrations encourage the knitter to try color work, cables, or textured stitches for the first time. With the wide range of sizes and a special knit-to-fit section, these pullovers, cardigans, vests, and waistcoats work for men in all walks of life.

The Friday Night Knitting Club
by Kate Jacobs

A charming and moving novel about female friendship and the experiences that knit us together-even when we least expect it.

Walker and Daughter is Georgia Walker's little yarn shop, tucked into a quiet storefront on Manhattan's Upper West Side. The Friday Night Knitting Club was started by some of Georgia's regulars, who gather once a week to work on their latest projects and to chat-and occasionally clash-over their stories of love, life, and everything in between.

Georgia has her hands full, juggling the demands of running the store and raising her spunky teen daughter, Dakota, by herself. Thank goodness for Anita, her mentor and dear friend, and the rest of the members of the knitting club-who are just as varied as the skeins of yarn in the shop's bins. There's Peri, a prelaw student turned handbag designer; Darwin, a somewhat aloof feminist grad student; and Lucie, a petite, quiet woman who's harboring some secrets of her own.

However, unexpected changes soon throw these women's lives into disarray, and the shop's comfortable world gets shaken up like a snow globe. James, Georgia's ex, decides that he wants to play a larger role in Dakota's life-and possibly Georgia's as well. Cat, a former friend from high school, returns to New York as a rich Park Avenue wife and uneasily renews her old bond with Georgia. Meanwhile, Anita must confront her growing (and reciprocated) feelings for Marty, the kind neighborhood deli owner. And when the unthinkable happens, they realize what they've created: not just a knitting club, but a sisterhood.

Back On Blossom Street
by Debbie Macomber

Without dropping a stitch, Debbie Macomber extends her Blossom Street series with this third heartwarming entry, set around a class at A Good Yarn, where a small group of women also work through critical turning points in their lives. The class specializes in prayer shawls (patterns and instruction included), which are designed to give emotional comfort, much like Macomber's books.

Knit Together
by Debbie Macomber

Debbie Macomber calls Knit Together the project of her heart. Whenever she speaks, her theme is simple: don't be afraid to dream. God created us for a reason, and when we come to recognize our deepest longing, we can discover His plan for our lives. Full of encouragement and divine empowerment for women, the book centers around the Bible's assurance that God knits each one of us together in our mother's womb. Debbie deftly weaves her own story throughout the book, using the knitting theme of her most recent bestsellers to create metaphors that explore God's handiwork in creating us for a purpose.

Knitting Never Felt Better [hardcover]

by Nicky Epstein

Nicky Epstein offers the best guide to felting. Using ten chic garments and more than 150 stunning sample swatches as examples, she covers the top techniques for turning wool yarn into vibrant and dense textures. Before and after shots show how different fabrics react to the process, and there are patterns, stitches, and techniques for lace, mosaics, cables, plaids, checks, and quilting.

Item #BF191
