Create a lightweight shawl, feminine top or an easy home decor item in a snappy shade. Grab your favorites and have fun being crafty -- you'll forget all about spring fever!

Our love for knitwear knows no season. Spring is an ideal time for relaxing with your needles / hooks. Expand your skills or challenge yourself by trying a new fiber, a new stitch, or a new color. There are no deadlines looming like those for holiday gifts, and your stitching can take you on a journey of gratifying self-discovery. Kathy's Kreations has a myriad of garments to choose from, plus accessories, children and afghan designs to inspire you. Whether you knit for fun or sport, yourself or your family, we have ideas and plans that are sure to inspire your creativity.

We have all heard that knitting and crocheting are good for our health, helping us to unwind, relax and relieve stress. These needlearts are also good for the spirit, too. We encourage you to make this spring a time to enjoy adventurous stitching.

It's been a fun knitting time here lately -- we were delighted to recently host our annual "Spring Break" weekend with Knitspot owner and designer, Anne Hanson. The weekend kicked off with a Meet & Greet with Anne on Friday evening. On Saturday, we learned about interpreting stitch charts and worked on a Shawl Project Class, "Les Abeilles". On Sunday, "Les Abeilles Part 2" was followed by Finishing / Blocking Tips. We have several of Anne's patterns in stock, including lace shawls that are perfect for proms, weddings and enchanted evenings.

Spring is the perfect time for relaxing with stitching. Stop by soon to experience in person the bright colors on our yarn shelves -- they are well-suited for warm weather stitching. Thank you for supporting this independently owned, small business -- we are saluting our customers this month with a special promotion:

\*\*\* GREAT NEW STUFF \*\*\*

What does springtime stitching mean to you? From sweet knitted accessories like an elegant scarf for Mother's Day, to a crocheted heirloom blanket for a new baby, to a shawl for a blushing bride or a shrug for prom, we have an abundance of handmade gift ideas to make your loved ones feel extra special. A new crop of warm weather fibers linen, silk, and cotton are here on the scene. And don't forget about take-along projects like socks and scarves for "stitching on the go". We've got you covered with plenty of wonderful ideas like these...

Delve into fascinating facts on lace -- knitted, needle, bobbin, tatted, crocheted, and machine-made -- in the 6th annual lace issue of *Piecework* (\$6.99). There is just something about lace that is captivating. Featured projects include a traditional knitted Orenburg warm shawl, a crocheted lace scarf, a stunning knitted Shetland scarf, and a beautiful shell lace edging to knit. Lace lovers, rejoice! This magazine is a keeper...

Countless knitters have found joy working with CHURCHMOUSE CLASSICS knitting patterns. We are pleased to announce that two new CHURCHMOUSE CLASSICS are here! At the upper left, our new "Color Play Mohair Scarf & Wrap" (\$5.50) uses four colors of lace-weight mohair yarn to produce a palette of varying hues to create shaded color blocking. Compulsively knit-able, this piece is like playing with a new box of paints. You can mix the colors in ombre shading, or cross the color wheels for graphic punch -- watching what comes next is so much fun! No two pieces will ever be alike, so you'll just have to make another one. At the lower right, our new "Modern Wrapper" (\$10.50) is a one-size pattern that seems to fit every body -- short or tall, ample or slight. This easy-fitting cardigan is both comfy and stylish. Wear it every day around the house, or dress it up a little for around town. Try mixing a strand of tweedy wool or sleek alpaca-blend fingering wool with lace-weight mohair on nice, big needles for a luxurious fabric and a quick knit. The careful shaping of this softly draping one-size cardigan / poncho flatters everyone. It's easy to customize the fit by adjusting the sleeve length...

The right tools keep your knitting neat and sweet. KNIT PICKS Emergency Fix Keychain is a handy tool with a double-ended mini crochet hook (\$2.95). You know how much we love knitting gadgets and our latest finds are HIYA HIYA Panda Point Protectors. Available in two sizes: small for sizes 0 - 4 or large for sizes 6 - 10 (all sizes \$6.50 per set). The cute pandas are knitting socks -- how much fun are these?

And, speaking of fun, FEZA YARNS "Candy" (\$18.50, 110 yards, 50% wool / 50% acrylic, CYCA #5) is like a party on your knitting needles. The chunky weight yarn is randomly interspersed with whimsical multi-color felted balls. Ask us for a free fun scarf pattern (for fun people!)

CLAUDIA HANDPAINTED YARNS "Fingering 55" (\$19.95, 50 grams, 175 yards, 55% silk / 45% merino wool, CYCA #2) is a beautiful hand-dyed yarn that is a true pleasure to knit or crochet with. Every color combination or tonal colorway is striking --we can't pick just one favorite! This yarn is soft, soft, soft -- a great choice for CHURCHMOUSE CLASSICS Turkish bed socks or KNITSPOT "Les Abeilles" shawl...

MANOS DEL URUGUAY "Maxima" (\$14.50, 100 grams, 219 yards, 100% extrafine merino wool, CYCA #4) is here in new colorways (meltaway mints and fruits of the forest), a feast sure to catch the attention of any knitter's eyes...

\*\*\* MORE GREAT NEW STUFF \*\*\*

Crochet or knit, SCHOELLER STAHL / SKACEL "Batika" is a variegated DK weight yarn that provides fabulous drape (\$7.50, 50 grams, 143 yards, 100% acrylic, CYCA #3). It's our choice for LISA KNITS newest pattern "Fun In The Sun" (\$5.00, shown right), a darling little sundress with matching hat in a chevron pattern, sized for ages 18 months to 6 years...

Whether you weild needles or a hook, you can whip up spiral scarf in a jiffy. FILATURA DI CROSA "Ibiza" (\$13.50, 50 grams, 16 yards, 56% cotton / 24% viscose, CYCA #5) has a mesh top and ruffle bottom, so that when you work through the upper edge, the yarn forms a soft spiral. This yarn was featured in the "Twin Peaks" design in the spring/summer 2013 issue of *Knit Simple* magazine, and works up in a snap...

Sock lovers knit socks all year 'round. For spring socks, we recommend new arrival HIKOO "CoBaSi" which stands for "cotton / bamboo / silk" (\$7.95, 50 grams, 220 yards, 55% cotton / 16% bamboo / 8% silk / 21% elastin nylon). This machine washable blend is not only fantastic for springtime socks, but shawls and scarves as well, like the "Oh, Helen!" free pattern featured on page four...

Another superb choice for socks and shawls is LORNA's LACES "Solemate" (\$26.95, 100 grams, 425 yards, 55% superwash merino wool / 15% nylon / 30% Outlast viscose, CYCA #1). We also have "Sportmate", its big brother (\$24.95, 100 grams, 270 yards, 70% superwash merino wool / 30% Outlast viscose). Both of these yarns are available in Lorna's latest in-demand colorway, Christmas at Downton Abbey (we've been waiting since Christmas for this one!). This colorway is also available in "Shepherd Sport" (\$13.50, 2 oz., 200 yards, 100% superwash merino wool, CYCA #2), but supplies are going fast...

It's the small things in life we cherish in our memories, the small things we keep forever in our treasure chests, and it's these same small things we hope to have the chance to pass on to our children when their children are new. "Small Things" (\$7.50, shown page six lower right) is a timeless design for babies knit from top down with a clever self-border edge and slipped stitch details. Patterns include 7 sizes (newborn to 2T) and four finishing styles including fold-over mitts. This comprehensive pattern is appropriate for intermediate knitters or the advanced beginner wanting to stretch a little...

Ever wish you could have the ethereal lightness of ROWAN's ever-popular "Kidsilk Haze" in a bigger gauge? "Kidsilk Haze" has been the standard bearer for luxurious kid mohair silk blends since it was created many moons ago. Now the yarn mavens at ROWAN have combined three strands of "Kidsilk Haze" in complimentary hues to develop the aptly named "Kidsilk Haze Trio" (\$25.50, 50 grams, 153 yards, 70% sduper kid mohair / 30% silk, CYCA #4). Spectacularly crafted in Italy of the same winning formula as "Kidsilk Haze", "Trio" gives you a tone-on-tone, tweedy fiber gem in an airy, marled worsted weight with lots of depth.

It's definitely shawl season! Two new arrivals from Joji Locatelli have been receiving quite a bit of attention from out customers. "The Way From Brighton" (\$7.50) is an asymmetrical triangular shawl with textured detail using short rows and a clever fringe edging. "Autumn Blush" (\$7.50, shown lower left) is worked from end to end in one piece, consisting of ten sections with ribs and textures, and a picot edging. These are beautiful wraps which will showcase silky handpainted monochromatic yarns...

\*\*\* YARN HUMOR \*\*\*

This came via e-mail from Linda W, who saw it on the Knitting Paradise website. Thanks!

A piece of yarn walks into a bar and orders a beer, but the bartender snarls: "We don't serve your kind kere!". The yarn is forced to leave.

While sitting on the curb feeling sorry for himself, the yarn is suddenly hit with a brilliant idea. Working quickly, he ties himself into a knot and unravels his ends. Taking a deep breath, the yarn marches back into the bar and orders a beer.

"Hey!" says the bartender. "Ain't you that piece of yarn I just threw outta here?"

"Nope", replies the yarn, "I'm a frayed knot."

\*\*\* KNITTING TIPS AND TRICKS \*\*\*

Unless you're designing a sweater around specific buttons, wait to purchase buttons until your sweater is completed. It's easier to choose the correct size and color when you can lay the buttons on the finished sweater. Cardigans knitted at a large gauge of 3 stitches / inch may not need buttonholes. Most buttons will fit through the individual stitches without straining them.

When working a texture or color pattern, note the row of the pattern you are on when shaping the armholes on the back. Then you can be sure to make the front match by starting the armhole shaping on the same row of the pattern.

Consider purchasing one more ball / skein of yarn than suggested for your size and gauge just to be sure you'll have enough, especially if you plan to make adjustments to the general instructions. (Ann Budd's *The Knitter's Handy Book of Sweater Patterns*)

Kathy likes to work both cardigan fronts at the same time to insure uniformity. She also blocks both fronts side by side to align the pattern and make sure measurements are identical.

Block or launder your swatch as you plan to clean your finished piece, then take the gauge. You'll see what happens to the fabric and will have a more accurate gauge of the finished measurements.

Have trouble calculating your gauge when working with a novelty, mohair, or boucle yarn? Try holding it up to light (a bright window on a sunny day or a lamp with the light on) to see the stitches better. Also works for finding a dropped stitch! (from Lily Chin, *Knitting Daily*)

\*\*\* PEACH COBBLER, ANYONE? \*\*\*

Kathy's take on Linda Golden's crockpot peach cobbler recipe was the hit of the April Sit 'n Stitch gathering. In response to requests, here is the recipe:

1 can (29 oz.) diced peach slices, with juice

1 can (21 oz.) peach pie filling

1 box french vanilla cake mix (may substitute white or yellow cake mix)

1 tsp. vanilla

1 vanilla bean

1/8 cup butter, thinly sliced

Pour juice from peaches into separate bowl. Grease a 4 1/2 to 6 quart slow cooker / crockpot. Combine pie filling, peaches, vanilla and vanilla bean. Spread on bottom. Sprinkle cake mixture over top. Pour reserved peach juice over dry cake mix. Place butter slices over top. Cover and cook on low heat for 4 1/2 hours or high 2 1/2 hours. Serve with vanilla ice cream or whipped topping.

VARIATION: Omit vanilla and vanilla bean. Add 1/2 tsp. cinnamon and 1/2 cup coconut to white or yellow cake mix.
