OCTOBER 2018 UPDATE

Dear Stitchers,

Autumn is such an exciting time here at Kathy's Kreations! The spotlight is definitely on color this fall. We've been busy re-stocking our shelves with earthy "sweater weather" fibers in the colors of the season inspired by the Laurel Highlands -- shades of saffron, vibrant oranges, deep reds, rich plum tones, and mossy green hues. Sage green is popular for home decor this year, for everything from afghans to mug cozies. Let us help you spice up your stitching with this season's must-have color palette!

Fall isn't complete without autumn accents in your wardrobe. Knitwear trends for this fall and winter look and feel cozy. Designs are oversized with Aran and cable designs very popular, as well as stripes and color blocking in bold geometric patterns. Mixing yarns of different weights allows for one-of-a-kind originality, creating variations in drape and gauge. Stitch blocking (for example, combining stockinette and garter textures) takes stitchwork to the next level, especially if done with colorwork contrast. The 80's are making a comeback, with retro shoulder pads, fun fur, fringe, slouchy hats and berets to enjoy making. Our favorites are pullover shawls combining cowls and shawls and "swonchos" featuring ponchos with sleeves (sweater + poncho = swoncho).

If you haven't started working on your holiday gifts yet, ask us for "giftable" ideas. From toys to toppers, toasty shawls to mittens, and socks to scarves, we have something that will appeal to everyone on your gift list. We are believers in the joy of making things with our hands and the positive outcomes that can result from doing so. You never know how trying something new can affect your life. Come discover what's new at Kathys' Kreations and get started on your next project today!

\*\*\* GREAT NEW STUFF \*\*\*

Knit and crocheted items tell a story long after the stitching is done. When we happily revisit them, whether still in progress or finished, we recall the story of how the item was made, what we were doing during that time, how we chose the yarn, the special event for which it was crafted, the technique we learned, and so on. Handmade projects endure season after season. What story will your stitching tell? Here are some new arrivals to help you get started on your storytelling...

Let *Knitscene* Winter 2018 magazine guide you on your next knitting adventure (\$7.99, shown upper left). Cozy up with 20 unexpected winter knits as you enjoy the "Smoke & Mirrors" issue. Editor Hannah Baker states in her editorial: "The best knitting patterns are the ones that catch you off guard. There is nothing I love more than being surprised by a design element or technique that teaches or shows me something I didn't expect. Even simple designs can feature elements that make you look a little closer, and that's what this issue is all about." The result is a collection of 20 gorgeous and oh-so-knitable projects that make you do a double take. With sweater weather here, the featured technical article by Lisa Shroyer is a winner about how to make different armhole types work for your body type and a better fit. Our pick of the patterns is the "Millcroft Shawl", an asymmetrical shawl knit with garter and stockinette rows back and forth from a side point to the opposite side edge and featuring striping in five colorways. Enjoy a wonderful selection of seasonal patterns for fall, expert tips and tricks, inspiration and more as you advance your knitting repertoire with *Knitscene*. Become a better knitter!

A new shipment of DRAGONFLY FIBERS has arrived, in gorgeous fall-inspired shades like Spooky, Turning Leaves and Bad Moon Rising on a variety of yarn bases and weights. You'll love how the colors mix from one to the other. Team Dragonfly applies deep, rich and sometimes crazy bright colors to their high quality bases to appeal to the passionate knitter. "Traveller" (\$27.50, 113 grams, 280 yards, 100% superwash wool, CYCA #3) is a fantastically soft, hand-dyed DK weight plied yarn that will work up into sweaters with next-to-skin softness and accessories you'll love to show off. Machine washable "Traveller" is also ideal for family-friendly projects and gifts. Fingering weight "Djinni" (\$32.50, 113 grams, 420 yards, 80% merino wool/10% nylon/10% cashmere, CYCA #2), is richly dyed sock joy in a skein -- luxury for your feet! "Valkyrie" (\$26.50, 113 grams, 200 yards, 100% superwash merino, CYCA #4) is a supersoft and unbelievable squishy 4-ply worsted weight to Aran weight yarn. "Dragon Sock" (\$26.50, 113 grams, 390 yards, 100% superwash merino, CYCA #2) is a super choice if you want soft, easier care merino with fabulous stitch definition. Grab one for socks or several for an unforgettable sweater or shawl...

If you are starting to plan your holiday knitting projects, you are not alone. Gift making season has definitely arrived! Creating our own traditions as makers, we can shape our own gifts with our unique skills, working them with our love, our hopes and our wishes for the intended recipient. *Interweave Knits Gifts 2018* deluxe edition (\$14.99, shown lower right) is your shortcut to "a blend of cherished knitting traditions of the past updated with modern styling, hues, techniques, and thoughtful reimaginings." It features 21 small, quick knitting projects to delight anyone on your list. In this incredible issue, you'll find quick knits, accessories, cables, and glorious colorwork that will suit all of your holiday knitting needs. Grab a fresh mug of tea or coffee and page through the Modern Scandinavian story, a menagerie of huggable toys, embroidered felted ornaments, or how to darn a worn Christmas stocking. Don't let holiday knitting sneak up on you this year: choose your projects early and give loads of cheer!

\*\*\* MORE GREAT NEW STUFF \*\*\*

Kathy loves to think that knitwear garments tell a story long after the stitching is done. We can happily revisit our handmade items season after season, and recall stories through the textures, cables, lace and etc. Kathy's latest design is *Fiskar Vest and Cardigan* (\$6.00, vest shown right), knit with Batiste (\$12.50, 50 grams, 208 yards, 50% merino/30% linen/20% silk, CYCA #2). This set was inspired by Fiskar Village in Finland, the home of Fiskar scissors! Worked in pieces and then seamed together, this elegant cable pattern contains instructions for both a stylish hip-length vest and the cardigan. Vest armband (detail shown page 8, upper left) is finished with I-cord embellishment. The cardigan version is finished with a set-in sleeve. A garter stitch side slit allows for ease of movement, and a garter stitch insert accents the armhole...

Dreamily soft and sumptuous, DREAM IN COLOR *City* (\$23.50, 4 oz., 200 yards, 100% superwash merino wool, CYCA #4) is a beautiful superwash merino wool in heavy worsted weight with an amazing feel. It is hand-dyed in super-saturated colors to bring exquisite depth and contrast to any knitting or crocheting project. You'll love using this for sweaters, cowls, blankets, and a variety of cozy accessories. We recommend this yarn for KATHY ERHARD's "Classic Ribbed Hat" design (\$5.00)...

Never lose track of your rows with the new KNITTER'S PRIDE Row Counter ring (\$27.50)! These ingenious rings come in sizes 7 - 10 and feature two numbered dials that move independently of each other to track your rows. These are perfect for avid knitters and crocheters and make great gifts, too!

It seems like pumpkin spice is everywhere at this time of year, and our shelves are no exception. It's the "Flavor-knit" color of the season! Shown on page 5 are two new arrivals from BERROCO YARNS. *Tuscan Tweed* (\$11.50, 50 grams, 120 yards, 65% wool/25% viscose/10% mohair, CYCA #4) is a delightful blend of wool, viscose and mohair in a worsted weight, timeless tweed yarn. It is perfect for simple stitches as well as sophisticated lace or cable patterns, making it ideal for sweaters, ponchos, and all types of accessories from head to toes! Classic meets contemporary in *Brielle* (\$9.50, 50 grams, 126 yards, 50% cotton/17% polyester/16% acrylic/10% wool/7% alpaca, CYCA #4), also a worsted weight yarn. The soft halo from the alpaca content combines with just a little bit of shimmer to create timeless pieces that are soft and warm to wear. Pick up your knitting needles and crochet hooks and let's go pumpkin picking!

DELLA Q mesh zippered totes (\$26.95, set of three) will help you organize everything from crochet hooks, to notions and gadgets, to small projects, even the clutter in your purse! We would love to hear your ingenious uses for these totes. If we use your suggestion in a future newsletter, you will receive your choice of a crochet hook or knitting needles of your choice. These sturdy bags are mesh on one side, striped canvas on the other. Pretty as well as practical...

Don't be afraid to incorporate variegated handpainted yarns into your colorwork projects -- it's easier than it looks! The *Aleks Cowl* by designer Aleks Byrd, shown lower left in reds, is a stunning Fair Isle colorwork loop knit in rounds with only 1 or 2 colors at a time, and no steeks. CLAUDIA & CO have put together this luxurious kit which contains nine 50-gram hanks of *Addiction* 100% merino wool yarn and the pattern in a clear plastic case (\$136.50). Available now in reds, turquoise, and bright mix...

\*\*\* OCTOBER PROGRESSIVE NEEDLES KAL \*\*\*

Don't miss out on the fun! Join Michelle Hunter on October 4, 2018, as she leads followers through the creations of the *Match Play* poncho. Worked in HiKOO "Sueno" (shown upper left), *Match Play* is an easy-to-wear poncho teeming with essential knitting skills! This poncho features high-impact textured stitches and great techniques. The mystery design's central motif delivers a new twist on a favorite stitch. Perhaps life changing is a strong sentiment, but you will be amazed at the improved version of this technique.

*Match Play* has a bit more structure than some ponchos, to nudge knitters toward sweater projects (think "swoncho"). It features excellent stitch definition, and has a fabulous easy-going fit that flatters almost every silhouette. The true luxury of *Match Play* is due to the glorious "Sueno" yarn. This merino/bamboo blend gives the fabric drape, fluidity and sheen along with excellent stitch definitions (\$16.50, 100 grams, 255 yards, 80% merino superwash/20% viscose from bamboo, CYCA #3). The interest in this KAL has "Sueno" much in demand-- be sure to stop in soon!

Michelle will reveal a new segment of the pattern every Thursday at 9:00 am EST online at [www.knitpurlhunter.com](http://www.knitpurlhunter.com) Join us for this fun knit every Friday in October at Kathy's Kreations from 10:00 am - 2:00 pm for this group project, the continuation of previous KALs, or any other works in progress purchased here. If you can't join us in person, follow us on the Ravelry October 2018 shop thread at "We Love Kathy"...
